From Our Club President Restless to Serve?

Thoughts from President Ardy ...

I'm wondering how many of you are feeling like me - understanding all the need for social distancing and precautions as we gather - but worried about how others in the community are doing, and wishing there were more ways for us as Dunwoody Rotarians to be "out there" doing something that would help the community and further Rotary's mission of Service Above Self.

I know I've had this type of conversation with several of you - and I'd like to formalize it some by asking for all of your help. We'd like to hear from you about needs you're hearing about - in the schools, your neighborhood, the broader community - as people struggle with the pandemic and its economic and health challenges. What could we be doing as a Rotary Club that would make you prouder to be a Dunwoody Rotarian? And what kinds of activities would you be willing to take on - from home or out in the community - to help us make a positive difference.

LEADERSHIP

The Board is looking at ways we can partner with the Community Assistance Center, Malachi's Storehouse and the Dunwoody Nature Center, and how we can continue projects like our Thanksgiving baskets for Kingsley Elementary families, Toys for Tots, and books for the students at Dresden and Kingsley. And we're open to new ideas from you - in a new time where needs and circumstances have changed. I invite you to reach out to me and/or Kobelah Svenson Bennah, our Community Service Director, with your thoughts about this. In addition, a team will be reaching out to all of you individually over the next week or two - to check in on how you're doing and talk about this a little more.

Opportunities to Serve

Gardening and Fellowship at Dunwoody Nature Center - September 12

Don't miss out on this awesome opportunity to "play in the dirt" at the Dunwoody Nature Center on **Saturday, September 12 - and enjoy some Dunwoody Rotary fellowship at the same time.** Join us from 9:00 AM - 12:00 PM for the Nature Center's regularly scheduled work day - and bring a cooler/lunch bag for some outdoor fellowship after we finish our work! Dress to get dirty - in a Dunwoody Rotary shirt if you have one! Bring water, gloves, mask, social distance and a can-do spirit. The Nature Center is located at 5343 Roberts Drive, Dunwoody, GA 30338.

Contact Cathie Brumfield to RSVP with pleasure! (404) 668-6693. You will also need to visit the [Dunwoody Nature Center](#) website and complete a volunteer registration.

We're planning to build an RCD Nature Team to help with whatever tasks we might find. This opportunity may be open monthly but for now we'll focus on September 12.

Member Spotlight

Meet New Member Jeff Hanson

Last Friday, new member Jeff Hanson told us a little about himself. He didn't come to Rotary by accident - his father was a Past District Governor and Jeff grew up helping with Rotary fundraisers and attending various Rotary Club meetings. He's pictured here with wife Patty. And here's the story he shared ...

Jeff was born and raised in Northbrook, Illinois, a suburb of Chicago. His parents, Robert "Bobby" and Fran Hanson taught him at a young age to always give back to his family, his friends, his community, and his country. His parents were involved with Rotary for most of his life. His father was District Governor for Rotary District 6440 in Illinois (1990-1991) and had perfect attendance until his death in 2015. His mother still helps out the Seneca, SC Rotary Club where Jeff's parents retired. Throughout the years Jeff assisted his father with Rotary fundraisers and attended various Rotary clubs with his father. Some clubs Jeff has visited are in Seneca, SC, Wheeling, IL, Northbrook, IL, and Ames, IA where Jeff was pursuing a degree in Industrial Education and Technology from Iowa State University.

Editor's Note: *Its thanks to our contributions to The Rotary Foundation that young people like Kaitlin Sandor are able to study as Global Grant Scholars and work to make strides in fighting ALS and other diseases, that the World Health Organization was able to declare Africa polio free last week, and that we were able to partner with Italy on a project to help Alzheimer's patients and their families. And our TRF contributions have also helped fund books for Dresden and Kingsley students in previous years, and turkeys for Kingsley families last Thanksgiving.*
