Let's Grow Our Membership!

By George Granade
August is Rotary International's Membership and New Club Development Month - what better time for each of us to imagine how we can make our clubs stronger, tell our stories better, and introduce new people to our world of fellowship and community service. One of RI President Jennifer Jones requests is for districts to grow membership by increasing the number of club members and by creating two new club models - like the satellite clubs we have in place in Stone Mountain and Roswell, for example. She also would like to see women represent 30% of our total membership by Rotary year end; here in District 6900 we are already at 29.1%! There are several avenues for assistance on finding new members.

RYLA Students Speak at Douglas County

By Nell Boggs
The **Rotary Club of Douglas County** recently enjoyed hearing from students who attended RYLA - an intensive leadership experience organized by Rotary where young people can develop leadership skills while having fun and making connections. This year, the club sponsored four students to attend RYLA in June on the campus of Georgia Southwestern State University in Americus Three of the students attend Douglas County High School: Hannah Byssainthe, Amelia Hasan, and Ronzell Mullen. Tiffany Grier attends Lithia Springs High School. Hannah and Tiffany attended the meeting and answered questions about their experience. Hannah enjoyed it so much she plans to volunteer as a counselor at RYLA in the future! [more]
