RI President Stephanie Visits Atlanta

By Gordon Owens
It's rare for a sitting Rotary International President to visit our district, but on Monday, July 29 we had the honor of spending the day with RIP Stephanie Urchick at the Atlanta Rotary Club. The club had a packed schedule for her that included meeting with their senior leadership, learning more about the Early Childhood Champions program, **speaking at their club meeting and recording a podcast.** The highlight of the day was a reception before lunch that included club presidents from around our district.

Meet The Team

By Bob Hagan

The district designated funds we receive from our Rotary Foundation are the life blood of the impact our clubs have in their communities and around the world. Based on Rotarians generously giving to our Rotary Foundation a few years ago, our district has been granted \$345,779 to use for global grants, peace fellowships, scholarships and district grants this year. The group tasked with managing these funds and raising future funding is the District Rotary Foundation Committee. I was honored to be nominated by our DG, DGE and DGN to serve as the chair of this committee and look forward to helping our clubs maximize every opportunity to do good in the world through our Rotary Foundation. We have assembled a great team

Magic of Rotary

What Would You Do With A Magic Wand?

By Gordon Owens

I have been asking clubs during my visits, "If you had a magic wand and could do anything to help your community, what would it be?" So far, early childhood education is the common theme with literacy being the primary focus. I've heard statements like, "I would make sure every child could read before they start school" from several clubs. I encourage you to think about this question and dream big! There isn't a thing we can think of that a group of dedicated Rotarians can't turn into reality in your community. Let's show them the Magic of Rotary. [more]

District Awards District & Club Scoreboards

By Gordon Owens

While we may focus on an issue like mental health last year or spreading the idea of peace through peace poles this year, the goals for Rotary remain consistent year over year; growing your club's impact by adding new members, giving more to our annual fund to increase our capacity to do good around the world and have every Rotarian contribute to Rotary's effort to end polio. With the help of our district webmaster, Alec Smythe, we have created a district & club scoreboard that tracks how each club is doing on these three goals in comparison to the other clubs in their same category. Every month in the footer of the newsletter we will include a leaderboard that shows the top clubs. We encourage you to check out your club's scoreboard on our district website. [\[more\]](#)

Improving The Member Experience

By Dave Schwickerath
RIP Stephanie has challenged all the clubs around the world to make the membership experience, *Simply Irresistible*. If you want to learn more about how to improve your club's membership experience join the next Membership Action Plan webinar on Monday, August 12 at 5:30PM. Here from Rotary leaders about how they have taken their own club's membership experience from good to great and how that translates into membership growth. An awesome experience is key to keeping existing members engaged and welcoming new members into the family of Rotary. **Register on DACdb.** [more]

Global Grants

Let's Talk About Your Project

By Olga Narvaez

Does your club have an idea for a new global grant project? Let's talk! Our first chat will help your club summarize the grant project and consider what to include in your project budget. Our District Rotary Foundation Committee reviews these project summaries and budgets as it considers how to allocate the District Designated Funds (DDF) we have available from our Rotary Foundation. If your project is ready to go, then submit a summary of the project and budget estimate to me by August 30, 2024 so we can review all of the projects and allocate available funds accordingly. The Global Grant application process can be intimidating but **I am here to help** clubs make sure their grant project checks all the right boxes. Let's go do some good in the world together! [more]

Cobb
Rotarian!**

By Nancy Prochaska
The **Rotary Club of North Cobb** has 110 members, 27 of whom were born outside of the US, or are married to someone born outside the US! Our club's international flavor is strong and beautifully helps create the "Magic of Rotary!" We celebrated with an International Potluck Social, where all members were asked to bring a dish representing their heritage. We enjoyed favorite dishes from Jamaica, Kenya, Nigeria, Ireland, England, and many other countries, plus some American fried chicken and apple pie. YUM! It tastes good to be a North Cobb Rotarian!

Rotarian of the Year Fernando Duenas Makes a Difference

By Patti Kadkhodaian

Every so often you get to cross paths with an extraordinary person. A member for less than two years and a retired executive of FedEx, Fernando Duenas has attended every service project, every social and every lunch meeting. As a recipient of the 2023 Rookie of the Year award as well as 2024 Rotarian of the Year award, there is no question about his dedication to Rotary. At the Peachtree City 4th of July parade, consisting of 20 Rotarians and their families, made a memorable impression.

In addition to the meticulous planning, stunning decorations, and perfect weather, Fernando had a touching encounter with a young parade spectator. When Fernando ran out of candy but offered an American flag to a little girl, she graciously accepted and even presented him with a beautifully crafted Independence Day drawing as a token of her appreciation. Moved by the girl's kindness, Fernando reflected on the emotional impact of the gesture, emphasizing how heartwarming and special the moment was for him.

By Jeff Wright
The Rotary Club of

LaGrange was proud to begin the new 2024-2025 Rotary year with our first service project on July 6. Each year LaGrange Rotarians serve as parade marshalls for the Annual Sweet Land of Liberty 4th of July Parade which is now hosted by the Junior Service League of LaGrange. The LaGrange parade is unique in that only children march in the procession. The parade is now in its 40th year and LaGrange Rotarians are proud to march along with the children ensuring their safety along the route.

Club News **Peachtree City Helps Harvest for Real Life**

By Mandy Timmons
Established in 2011, the Harvest for Real Life Orchard is a vibrant haven with blueberry bushes, blackberry vines, grape vines, peach trees, apple trees, pomegranate bushes, plum trees, fig trees, pear trees, and persimmon trees.

The Rotary Club of Peachtree City recently participated in the U-Pick 4 Others program - a FUN and FREE activity for families and groups who want to make a difference in their community. All produce goes directly to the families of the Real Life Center, distributed weekly through their Market. Fresh, nutritious food can be hard to come by on a limited budget, making the Orchard and Garden (and the volunteer work this morning) a true blessing to those in our local community!
